

buy food for myself or for my dog from my grocery store, I pay sales tax.

SENATOR GOODRICH: I suggest you give the dog to Schmit.

PRESIDENT: We are on the committee amendments. Surely you have some reply, don't you, Senator Schmit.

SENATOR SCHMIT: I just want to tell Senator Keyes, Mr. President, that his dog, if it is used as a pleasure animal, he doesn't end up paying any personal tax either, but if it was a working farm dog, we would have to qualify it and pay personal tax on him. PRESIDENT: Record the vote. Record.

CLERK: 29 ayes, 0 nays.

Then there became a little bit of a problem insofar as capital improvement were concerned and we are trying to clarify that so that the capital improvements can be made under those conditions. That is all the bill does and I have carried one for Senator Goodrich this afternoon and I will be glad to help Senator Warner out. I move the bill be advanced.

PRESIDENT: Senator Mills.

SENATOR MILLS: Senator Schmit, you are being so kind to all. I would have a question for you. Senator Schmit, I have no objection but just a point of information. There are some counties that are relating to fair boards, have you addressed that bill yet, and they wanted to extend
